**Sub: Submission to stop practice of demand of hard copies of IGM & EGM by customs officials**

Dear Sir,

Your attention is being drawn towards present practice followed by Port Customs Officials to insist and demand hard copies of IGM & EGM inspite of the same being filed in EDI on-line system.

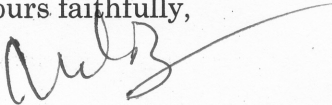

We strongly feel that now the practice of the submission of hard copies of IGM & EGM should be stopped with immediate effect as the same do not serve any meaningful purpose with the availability of the same in EDI on-line to customs officials. This simply unnecessary increases paper handling and wastage of papers.

We request you to reconsider this matter with immediate instruction to stop this practice in light of measures initiate by the Customs Department for reducing / eliminating printouts (hard copies) in customs clearance work at port to promote ease of doing business.

Your action for course correction will be appreciated.

Thanking you.

Yours faithfully,

Murlidhar Jagani

Hon. Secretary
