**Sub: CSR Compliance and activities**

Dear Sir,

We would like to suggest to upgrade and converting the same in four lane the following two roads from National Highway to Internal Areas under CSR Compliance.

1. Cargo Motors to Sector 5 area.
2. Sewage Station to Sector 6 area.

} Area highlighted in attached map

The above refereed suggestion will facilitate traffic diversion from National Highway and reduce traffic at DPT Administrative Office, convenient traffic diversion to Sector 5, 6, & 7 and further to back area of nearby villages like Kidana, etc. Also traffic on Tagore Road from Administrative Building will get relaxed.

We earnestly request you to include these proposals in CSR Compliance of DPT by upgrading and converting the same in four lane to regularise and maintain road traffic with more viable options.

Thanking you.

Yours faithfully,

  
Dinesh Gupta  
President
