**Sub: Request for the introduction of new (Hum Safar) train
from Kachchh District to North India**

Dear Sir,

We, The Gandhidham Chamber of Commerce & Industry is a pioneer organisation of Kandla – Gandhidham complex in Kachchh-Gujarat since 1953 with the main objective to serve as a bridge between local trade and industry fraternity and State / Central Govt. for the resolution of problems and also to endeavour for the welfare of citizens and township in public interest.

Sir, as you are very well aware that after earthquake, there is rapid industrialization in Kachchh District. People from all over India and particularly from northern India have migrated to Kachchh to earn bread – butter and settled here. Further, all international trade sea shipments originated from Northern Parts of India and import shipment for northern India are rooted to and fro from Kandla and Mundra Port of Kachchh District. This establishes continuous long term trade relation with Delhi and surrounding areas. The Kachchh District is having military and air – force base which necessitates the movement of military and air-force persons regularly. Public sector establishments like IOC, HPC, etc. are also operative in and around Kandla – Gandhidham complex.

Therefore, we request you to introduce the services of a new train from Kachchh District to North India.

Thanking you.

Yours faithfully,

Murlidhar Jagani
Hon. Secretary
