Sub: Long pending work of completion of service road from RTO office onwards to
Meghpar Borichi near over bridge

Dear Sir,

This has reference to our letter no. GCCI/424 dt.18.12.2017 on the caption subject.

We would like to draw your kind attention towards present scenario of service road from RTO office onwards to Meghpar Borichi near over bridge where many pits exist till to date due to non-completion of targeted work (recent photographs attached herewith for your ready reference).

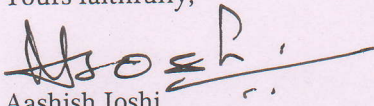

In this connection, we specifically draw your attention on the followings.

- More than four months have elapsed but no repairing work is being done near over bridge at Meghpar Borichi resulting into serious accidents frequently. Nearby many industrial units exist which are catered by heavy truck traffic. Hence, it becomes inconvenient and unsafe for them to travel and reach to nearby industries.
- There is no proper lighting arrangement which encourages mischievous elements to take advantage of the situation and loot vehicles passing through this area. Lack of lighting also leads to frequent regular vehicles accidents.
- As a matter of the fact, there is no lighting arrangements from airport char-rasta to Meghpar Borichi via over bridge.

In view of the above, we once again request you to initiate necessary corrective measures immediately and ensure the completion of work in time bound manner under intimation of progress of work to us.

Thanking you.

Yours faithfully,

Aashish Joshi
Hon. Secretary
