Sub: Request to make additional entry & exit point at Gandhidham Railway Station

Dear Sir,

We appreciate constant measures are being adopted at Gandhidham Railway Station to facilitate growing passenger traffic.

In a present scenario, platforms are extended and various passenger trains of 24 bogies pass through Gandhidham Railway Station. However, there is only one entry and exit point that too almost at the end of Gandhidham Railway Station. This results into hardship to the passengers and becomes difficult to walkthrough to cover up to extended platforms.

Therefore, we request you to make the arrangement of additional entry / exit point for the convenience and facility of traveling passengers.

Thanking you.

Yours faithfully,

Dinesh Gupta

President
