Sub: To establish the facility of issuance of DIN to new entrepreneurs for the registration of LLP

Dear Sir,

We, The Gandhidham Chamber of Commerce & Industry is a pioneer organisation of Kandla – Gandhidham complex in Kachchh-Gujarat since 1953 with the main objective to serve as a bridge between local trade and industry fraternity and State / Central Govt. for the resolution of problems and also to endeavour for the welfare of citizens and township in public interest.

It has been observed that for last four months new entrepreneurs are unable to establish LLP on web portal of Registrar of Companies as the facility of generating DIN is not available on the said web portal. Due to this lacuna, directors of Private and Public Limited can establish LLP while new entrepreneur can not. Hence, new entrepreneurs are unable to proceed further in their new venture. The government is encouraging new start-ups to increase employment while above referred lacuna discourage new entrepreneurs which is the against the letter and spirit of Government Policy.

Therefore, we request you to address this matter immediately under intimation to us so that the process of new business establishment and development by new entrepreneur goes on smoothly.

Thanking you.

Yours faithfully,

Babubhai Humbal  
President
