## Sub: Increasing Crime in Township of Gandhidham

Respected Sir / Madam,

With due honour we write this letter on the captioned subject and hasten to recall the brutal killing where a young and promising businessman in Gandhidham Township, Shri Mrutunjay (Sachin) Dhavan lost his life on fateful evening of 1<sup>st</sup> August, 2016 in the GIDC area.

Believing to the family sources, the deceased Shri Dhavan had a threaten to his life way back quite sufficient period of time. The family sources have revealed that the deceased had telephonic threatens regularly and having afraid of, he had lodged the police complaint. By the time period even the deceased was granted a police protection also.

Bringing the factual position as above, we make here to mention that the entire episode has created a fear of insecurity amongst the business community and public of society in the township. They feel themselves uncomfortable to carry on business activity and routine living life. The entire society of various social organisations in the township has felt strong resentment against the brutal killing. At the same time society is optimistic that police will accelerate the action and nab the culprits within no time.

We bring to further add that the public resentment is now on the silent mode but it may trigger of heavily and then it will be a matter of awkward situation in the township and surroundings to control over. Kindly look in to the entire matter on SOS and arrange positive police action to bring the culprits under the law and behind the bars. Let the crime makers be exposed and township is relieved of the terror fear.

Lastly, the Gandhidham Chamber of Commerce & Industry, an institute of the business community and public welfare, highly feels obligatory on its part, requesting your high office to please arrange prompt and strict action in nabbing the culprits at-once, as this will be the first prescription of secured public life in the township.

Thanking you,

Yours faithfully,
