Sub: Request for interactive meeting at Gandhidham Chamber of Commerce

Dear Sir,

The Gandhidham Chamber of Commerce & Industry is a pioneer organisation of Kandla – Gandhidham complex in Kachchh-Gujarat since 1953 with the main objective to serve as a bridge between local trade and industry fraternity and State / Central Govt. for the resolution of problems and also to endeavour for the welfare of citizens and township in public interest.

We are constantly representing from time to time about traffic jam position at Shamakhiyali Toll Gate & Surajbaari Toll Gate. But regret that no action has been taken so far to improve and regularise traffic jam situation. This has resulted into mob attack at Surajbaari Toll Gate recently injuring more than 13 persons including toll gate staff also. There is acute need for course correction action to avoid traffic jam between these two toll gates.

Now it is high time to initiate right action to streamline inward and outward movement of traffic from these two toll gates. Therefore, we request and invite a team of National Highway Authority to visit our Chamber office at the earliest to get feedback on ground realities as well as interacting with our members to finalise long term solution to this persistent problem.

Kindly confirm the date and time of your team's visit to our Chamber.

Thanking you.

Yours faithfully,

Murlidhar Jagani
Hon. Secretary
