Sub: Frequent power fluctuation & interruption in 11KV Power Supply System
at Salt City, Chopadwa, Bhachau – Kachchh

Dear Sir,

We would like to draw your kind attention towards the subject matter for which cause and remedy of the problem was appraised from time to time by industrial units of this area, but no action has been initiated by PGVCL so far.

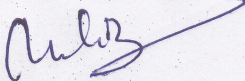

Since, there is no improvement in frequent power fluctuation and interruption in power supply system in Chopadwa area, there is disturbance to production process and damage to electrical equipments particularly of salt manufacturing units. Finally it result into heavy production loss and failure of commitment of supply to the market.

We request you to solve this problem permanently on top most priority to restore continuous power supply to Chopadwa area.

Kindly keep us updated on the progress of subject matter.

Thanking you,

Yours faithfully,

Murlidhar Jagani
Ho. Secretary
