Sub: Request for re-consideration of the move by Deendayal Port Trust to get vacant possession of lease land allotted to social and religious organisation

Dear Sir,

As we understand from local newspaper report that Deendayal Port Trust has initiated measures to get vacant possession of lease hold land earlier allotted to social & religious organisation to cater social service thereof.

Kindly note that such a move has created ripples among the people and various social and religious organisation of the township. It is a matter of concern for all in this township. We afraid this move will lead to the closer of activities of social, religious and people's interest within this township. As you are very well aware, people from all corner of our country have settled here and contributed significantly in the development of port and township. The social and religious activities being organised from such organisation to keep them integrated in the main stream of our country.

As a matter of the fact, such allotted land attract land policy of Gandhidham Township and not land policy of Kandla. Hence, the status-quo should be maintained without disturbing its status and further land policy of Gandhidham Township should be finalized and approved expeditiously by maintaining status-quo and interest of such social organisation.

The people of this township expect reconsideration from Deendayal Port Trust in this regard in the larger interest of the people of this township.

Hope, the feelings of the people of this township will get due consideration from Deendayal Port Trust in this regards.

Thanking you,

Babaubhai B Humbal
President
