Sub: No action from NHA on issues related to National Highway No. 8A  
& Toll Nakas situated at Mokha, Samakhiyali & Surajbari in Kachchh  
District

Dear Sir,

The Gandhidham Chamber of Commerce & Industry is a pioneer organisation of Kandla – Gandhidham complex in Kachchh-Gujarat since 1953 with the main objective to serve as a bridge between local trade and industry fraternity and State / Central Govt. for the resolution of problems and also to endeavour for the welfare of citizens and township in public interest.

As you are very well aware, a tremendous road traffic is being generated and pass through national highway no. 8A in this region of Kachchh District. This has resulted in to many problems from time to time particularly about operational part of toll nakas situated at Mokha, Samakhiyali & Surajbari. We are in constant touch with local National Highway Authority office at Adipur and drawing their attention on various problems. However, there is no indication on improvement and hence result into hardship to road traffic.

We have also drawn your attention on burning issues related to National Highway No. 8A and particularly related to toll nakas at Mokha, Samakhiyali & Surajbari. However, inspite of elapsed of more than reasonable time, there is no response from your end too.

In view of the above, it seems that National Highway Authority is testing the patience of the people of Kachchh and we categorically state that your approach will be challenged by the people of the Kachchh. No action from NHA will be compelled the people of the Kachchh to agitate to any extent now onwards.

Time and again we appraised you about the problems and related scenario and now we are informing you & alerting you by judging the pulse of the people that if no immediate actions are initiated by NHA then NHA should be ready to face any consequences.

As a last hope, we once again sincerely request you to treat this matter as "MOST URGENT".

Thanking you.

Yours faithfully,

  
Babubhai Humbal
