Dear Sir,

We appreciate the recent performance of Kandla Port and planning of various development projects to enhance the cargo handling capacity of Kandla Port.

In this connection, we would like to draw your kind attention towards pending Environmental Clearance for the construction of Berth No. 7 for Liquid Cargo Jetty at Kandla Port inspite of elapse of more than one and half year for the completion of all other formalities. Since, day by day demand for handling of liquid cargo increases at Kandla Port, it is very much essential to make Berth No.7 for liquid cargo jetty operationlise on top most priority basis.
