Dear Sir,

Our attention is being drawn frequently by vehicle operators and owners association that the condition of service road on east and west side of NH 8A between Gandhidham Railway Station to Gandhidham Railway Crossing and Ramdev Temple & Fly-over Bridge near Black Buck Hotel (Padana) towards Bhachau Side on main National Highway 8A is poor and deteriorated and need immediate renovation / repairs.

As we understand inspite of verbal request and telephonic reminders made to your good offices for initiating actions on the subject matter by the Kandla Tankers Owners Association, still no action has been initiated by National Highway Authority of India. This is a matter of great concern for vehicle operators and need urgent attention for initiation of repairing work.

We humbly request you please treat this mater as MOST URGENT and initiate immediate renovation / repairs of road at location stated above.

Thanking you.
