Sub: Placement of sign board for the indication of the way to Gandhidham city

Dear Sir,

We regret to inform that inspite of many representation written and verbal on the caption subject from our end has not resulted in to positive action from your end so far.

We once again reiterate that there is absolute necessity to place sign board of the indication at one and only cut for Gandhidham city on National Highway. In absence of such indicative sign board vehicles of the driver gets confused and reaches to KASEZ through flyover. It seems your authority is avoiding our suggestion inspite of our various written and verbal representations and trying to ban general public of Gandhidham town by not facilitating proper sign board for comfortable and convenient entry in Gandhidham township. We wonder your silent and no action so far on such a simple matter.

You are once again requested to place sign board or permit us to place appropriate sign board indicating the way to Gandhidham city at entry point on National Highway No. 8A.

Your positive response is expected immediately.

Thanking you.

Yours faithfully,

(Murlidhar Jagani)
