Sub: Proposal to Construct a Business Convention Centre at Adipur
Ref. : Our Office Letter No. GCCI/560 Dated 26.12.2016

Respected Dadi,

As you are aware, The Gandhidham Chamber of Commerce & Industry has been serving the cause of development of the Gandhidham -Kandla complex for the last 63 years. We have now grown to more than 2300 business establishments as Direct subscribed members with more than 20,000 individuals indirect members representing various trade organisations / Associations.

The Chamber has always lauded and appreciated the Historical role played by SRC Ltd. in formation and nurturing of this unique township. It is due to the Grand Vision of the founders of SRC Ltd. and subsequent hard work of all SRC teams that we see a Vibrant Modern and highly successful twin towns of Gandhidham & Adipur. Our townships are proudly cited as a case of modern planned development – which is all due to the visionaries who founded it.

Based on our experiences of hosting various events to promote Kutch among the international as well as national Investors, businessmen, leading personalities, politicians, we have often faced an acute need for a proper Business Convention centre at Gandhidham. Due to its strategic location Gandhidham township has been evincing a keen interest from all over the country. Due to the present "Make in India" campaign initiated by our Hon'ble Prime Minister, Shri Narendra Modi and focus on Import Export based business opportunities like Timber, Edible Oil, Salt etc. The Gandhidham complex is now on the focus of International media and business houses. It is of utmost importance that such a Centre is established at Adipur to cater the requirement of this fast growing township.

The Gandhidham Chamber proposes to take a lead role in this project of setting up of such a Business Convention Centre. Towards this end we seek SRC's co-operation in allotment of 1 Lac Sq. mt. plot at suitable location which can house this ambitious project. We have enclosed a Broad Layout plan which covers the basic facilities and amenities proposed in this centre. All the resources required for construction and operation and management of this centre would be organized by Chamber.

We are sure the entire Board of Directors of SRC Ltd. would share the enthusiasm of our team at Chamber to add a unique Landmark to this township, which would attract visitors from all over the world.

We send a copy of rough lay-out plan of convention centre for your kind information.

Looking forward to your favourable response in this direction.

Yours faithfully,

(Dinesh Gupta)
President
